Dedication

It is with great pleasure that we, the Seniors of 1976, dedicate the 1976 White Columns to Mr. Aumon Bass. Mr. Bass used to be an industrial arts teachere here at V. S. D.

He is a fine gentleman.

Mr. Bass has done much to bring about a better understanding of the deaf and of their potentialities through training and education.

Mr. Bass is shown here with the portrait of himself and his wife. The portrait is hung in Bass Hall.

In Memory Of

The Seniors would like for the 1976 White Columns to be in memory of Mr. Dock Yates, who passed away in June 1975.

He was willing to help our school in any way he could. He will always be remembered for his kindness, thoughtfulness and helpfulness.

Mr. Yates

The apparent height disadvantage in the VSD basketball team has not upset coach Anthony Panella, who plans to change strategy to produce a winning record for his 1975-76 squad.

The fast break will be the key to success. The VSD varsity will compensate for lack of height by installing a running game with a controlled fast break, while still looking for the percentage shots and the open man. Coach Panella is very optomistic with seven letter-men returning to the team.

Dave Tester attempts to score two points.
